

CELEBRATE LITTLEFIELD RULES:

- Tickets may be pre purchased online, or at the gate. Tickets are limited, due to Covid-19 recommendations. Gate prices are \$30 per ticket per day. Coolers are also charged a one time price of \$30. Coolers may be brought both days, provided the band is still intact and on the cooler.
- Wristbands must not be removed or tampered with. All people entering Celebrate Littlefield Event must have a wristband. 5 and under free (no wristband).
- No open drinks or containers may enter the grounds. All drinks must be unopened (sealed) and in a cooler.
- No glass bottles, no hard liquor. No underage drinking will be permitted. IDs will be checked at the gates, 21 and older will have additional wristband
- Coolers must be banded at gate. All coolers will be checked. Any other bags, etc., will also be checked at the gate
- No pets allowed. Service dogs will be permitted with proper identification.

HEALTH PROTOCOLS FOR INDIVIDUALS:

- Individuals aged 65 or older are at a higher risk of COVID-19. To the extent possible, avoid contact within 6 feet with individuals aged 65 and older. Individuals aged 65 and older should stay at home as much as possible. Large gatherings, even those held outside, pose a significant risk to this population.
- Individuals should avoid being in a group larger than 10 individuals (including those within the individual's household). Within these groups, individuals should, to the extent possible, minimize in person contact with others not in the individual's household. Minimizing in-person contact includes maintaining 6 feet of separation from individuals. When maintaining 6 feet of separation is not feasible, other methods should be utilized to slow the spread of COVID-19, such as wearing a face covering or mask, washing or sanitizing hand frequently, and avoiding sharing utensils or other common objects.
- Individuals should maintain 6 feet of separation from others outside the individual's group. A group is defined as no more than 10 persons including the members of the household and those persons who traveled together to the event.
- Self-screen before going to an outdoor event for any of the following new or worsening signs or symptoms of possible COVID-19:
 - Cough
 - Chills
 - Muscle pain
 - Sore throat
 - Diarrhea
 - Shortness of breath or difficulty breathing
 - Repeated shaking with chills
 - Headache
 - Loss of taste or smell
 - Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit
 - Known close contact with a person who is lab confirmed to have COVID-19
 - Wash or disinfect hands after any interaction with employees, other individuals, or items at the outdoor event.
 - Consistent with the actions taken by many individuals across the state, consider wearing cloth face coverings (over the nose and mouth) at the outdoor event when within 6 feet of another person who is not a member of the individual's group.
 - Clean and sanitize any items before and after use.
